Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. D-470357) is unconditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(7)A when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

On Page Three: Revise "EPA REG. NO. 69681-xx" to read "EPA REG. NO. 69681-36."

3. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Signature of Approving Official:

Morisha Harris,
EPA Product Manager 32
Regulatory Management Branch II
Antimicrobials Division (7510P)

Date:

January 23, 2013

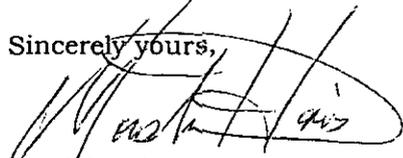

3. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

As the result of PRIA 3 registration requirements, a "Clean Label" was accomplished prior to the issuance of the Notice Of Registration. Consequently, a stamped, **Accepted** Product Label is enclosed for your Company record.

A stamped copy of the Product Label is enclosed for your records. If you have any questions or comments with regard to this Notice Of Registration, please contact Killian Swift via email at Swift.Killian@epa.gov or by telephone at **703-308-6346**. When you are submitting information or data in response to this Notice Of Registration, please send a copy of this Notice Of Registration with your response in order to facilitate processing.

Sincerely yours,

Monisha Harris,
